

YOUR PLAN

Filter Before You Talk

Answering everyone is eating the time real leads don't get.

THE STAKES

At **\$[deals_per_month] deals/mo**, tire-kickers are eating **[hh]/week** that real leads don't get.

YOUR 3 MOVES

- 1. Send these 3 questions **before booking anything**:

- 1 What's your timeline to get started?
 - 2 What's your budget range for this?
 - 3 Have you worked with a [coach/agency] before?
- 2. Route by the answers: real details on all 3 → **book them**. Vague or none → a **48-hour nurture** follow-up, not a call.
- 3. Hand the rule to whoever helps. It turns "reply to everyone" into **"escalate only the real ones."**

YOUR EXERCISE

Send this before your next booking. Route by what comes back.

- 1 What's your timeline to get started?
- 2 What's your budget range for this?
- 3 Have you worked with a [coach/agency] before?

Lead	All 3 answered?	Specific or vague?	Route

Settings › General › Keyboard › Text Replacement › tap +

Type the **Shortcut** field, and your phone fills in the **Phrase** — qualify before you ever book a call.

Type	It sends (phrase)
;qual	Quick questions so I can help you faster: 1) What's your timeline to get started? 2) What's your budget range for this? 3) Have you worked with a [coach/agency] before?
;book	Those answers help a lot. Looks like a fit — here's my calendar, grab 15 minutes and we'll map it out.
;nurture	No rush at all. When you've got more clarity on timing, reply here and we'll pick it back up. In the meantime, start with this: [tip]. — Udo
;escalate	Real lead. [name] answered all 3 with specifics — book them and route to me.
;filter	Appreciate it! Just to save you time — we're best for someone ready to start within [90 days]. If that's you, tell me more and I'll get you sorted.

These are starting points — of course you can change them to what you need. Make them yours.

Want a live 15-min look at which leads are wasting your time? No pitch. Just reply to this email.
